

## COMMIS CHEF

The Feathers Hotel in Woodstock is looking to recruit for the position of Commis chef. We are a 3 star Town house hotel in the centre of Woodstock with a 2 rosette restaurant and a Bistro for relaxed dining.

A commis chef is a junior or apprentice chef position, and provides the novice chef with an invaluable opportunity to learn about working in every area of the kitchen. This can be a challenging position, as the beginning chef is expected to absorb a great deal of information in a short amount of time. It can also be a difficult job because all of a commis chef's training is conducted on the clock in the kitchen, which is often a high-stress work environment -- especially during busy meal times. In light of this, a commis chef (like all chef types) must be able to work under pressure in order to succeed in his or her role.

Full training will be given. You'll be required to work 5 days out of 7 including weekends. Staff accommodation is available. Salary is negotiable.

If you're willing to learn, work conscientiously and are committed to high standards send an up to date CV to [chef@feathers.co.uk](mailto:chef@feathers.co.uk)
